LORNA G. SCHOFIELD, District Judge:

WHEREAS, the initial pretrial conference is scheduled for June 18, 2020. ECF 10;

WHEREAS, the parties filed a joint letter and proposed Case Management Plan in anticipation of the initial pretrial conference and no significant issues were raised in either. ECF 18. It is hereby

**ORDERED** that the June 18, 2020, initial pretrial conference is **cancelled**. The case management plan and scheduling order will issue in a separate order. The parties' attention is particularly directed to the provisions for periodic status letters, and the need for a pre-motion letter to avoid cancellation of the final conference and setting of a trial date. The parties should be aware that the Court does not extend the deadlines for fact discovery absent compelling circumstances.
